Biography:

Cliff is a graduate of North Carolina State University with a degree in Civil Engineering and is a licensed professional engineer. With over 20 years of transportation engineering experience he has been employed with the Department of Transportation (DOT) since August 1986 and with the Traffic Safety Systems Management Unit (TSSMU) for the past twelve years.

Currently Cliff is DOT's Traffic Safety Specialist. In this capacity, he provides technical leadership, engineering expertise and supervisory investigative support at the local, state and national levels in an effort to improve the safety of North Carolina's streets and highways. For the past three years, he has been responsible for directing and managing the activities of the N.C. Executive Committee for Highway Safety.
